Disclosure of the closure of services at Al-Wakrah Clinics & Urgent Care Unit, one of the branches of Medicare Group

Medicare Group disclosed that the company's Board of Directors decided during its meeting held yesterday, Wednesday evening, 24/04/2024; from the perspective of restructuring the company, reviewing its strategic plans, and increasing the efficiency of investment returns and the economic feasibility of the company; It has been decided to suspend the services provided through the Branch of Al-Wakrah Clinics & Urgent Care Unit and close it starting in May 2024, which will (God willing) have a positive impact on Al-Ahli Hospital's operations and the financial performance of the group in general during the coming year.
